To whom so ever it May Concern:

This is to certify that “ Solus Software & Systems Pvt. Ltd. Mumbai ” has installed Time & Attendance System with our Ademco (Pass Point) Access control system at our client site “ Financial Software & Systems “ Mumbai, during October 2003.

The System is managing Time & Attendance function with our Access Control System for about 250 employees.

The System installed in committed time and performance of the system is good.

We wish great success in future endaeuvres.

For Tata Honeywell Ltd.
