Solus Success Stories

Ports & Shipyards

Cochin Shipyard Limited (CSL)

Incorporated in 1972 as Government of India company CSL is one of the major shipbuilding and maintenance facility in India. It is part of a line of maritime-related facilities in the port-city of Kochi, in the state of Kerala, India. Shipyard is building platform supply vessels and double-hulled oil tankers. It has built the first indigenous aircraft carrier for the Indian Navy. CSL uses biometric access control system from Solus.
